Collaboration Among Multiple Orgs.

- Injury & Violence Prevention Branch, NC DPH
- Communicable Disease Branch (NC DETECT), NC DPH
- Injury Prevention Research Center (IPRC), UNC
- Carolina Center for Health Informatics (CCHI), UNC
- Local Health Departments (21 funded to generate monthly OD-related reports using NC DETECT data)
 - Project Lazarus Coalitions

NC DETECT Case Definitions

- <https://www.ncdetect.org/data-reports/case-definitions>
- Focus on acute poisonings / overdoses
 - Separate case definition for substance abuse developed by NC DMH/DD/SAS
- Search top 6 ICD-9-CM Final Diagnosis codes, any of 5 External Cause of Injury Codes
- Free text included in 3 primary definitions; free text also used for emerging drug issues
